The film is based on the 2010 murder case of Harshvardhan Tiwari, the son of Delhi cricket association member Rajesh Tiwari (Sidharth Malhotra). Alia Bhatt plays the protagonist Karan Kashyap's love interest in the movie. It was released on 9 March 2013 to critical acclaim with gross collection of ₹2 billion (US\$29 Million) at the box office.. All the songs of TE3N are composed by Pritam and all the lyrics are penned by Irshad Kamil. The film is a remake of the 2011 Korean movie "I Saw the Devil" directed by Kim Ji-woon. The story follows a young couple Karan (Sidharth Malhotra) and Meera (Alia Bhatt) who have been in a relationship for two years. As they head back from a trip to Goa with Karan's friends, they stop at a local restaurant where he meets up with his friend, Juhi Chawla. It is during this time that it is revealed that Meera has been cheating on Karan with his friend Sunny Singh. Karan confronts Sunny at a hotel room, and as a result of his anger, the two have a fist fight. Meanwhile, Karan and Meera are first robbed by Sunny and then hit by a car. When they go to the hospital, Karan is introduced to a girl named Preeti who is also being treated for injuries sustained in the accident. She delivers an apology that makes him suspicious of her. After any doubts about Preeti are cleared up, Karan reveals that he had found out that she was cheating on him with Sunny. However, this fact does not incriminate him in any way; rather it is revealed that his friend had lied to cover up an affair with Meera. Later, Karan, unable to cope with the effects of the accident, gradually begins to lose his mind. He starts to believe that Meera is still alive and that she is Preeti. He then goes into hiding, but when he tries to go back home he meets his mother and sister and realizes that they too do not recognize him. During a party honoring his missing girlfriend, Karan grabs Preeti and forces her into his car; during this time we see flashbacks of the night of the accident where it is revealed that Meera had been sitting in Sunny's lap as he drove recklessly through town. Karan ties Preeti to a chair and asks her about the truth, but she denies that she is Meera. Sunny then arrives at the scene and Karan manages to escape with Preeti, who he then brings back to his home. Once there, Karan calls Sunny and threatens him with a gun, forcing him to meet him at a nearby hotel where he awaits the two. He goes onto reveal that Meera was not sitting in his lap as he drove recklessly through town but instead was sitting in the backseat of Sunny's car as she was Veena's girlfriend and not his. In order for Sunny to make peace with her family, he took 20% responsibility for what happened.
